

Tired of the same clubs? The same crowds?
The same MUSIC?!

THE 80's PARTY

You'll have a great time at this **80s dance party** if...
You remember, "Bueller, Bueller, Bueller..."
Ever said : "grody," "bitchin'," or "barf me out"
Or ever thought George Michaels or Boy George was straight .

We've convinced **Coldbrew's Sports Bar & Grill**,
the hottest new sports bar in North Fulton, to turn their
dining room into a dance floor from
9pm—1am, Saturday, July 11, 2009.

They thought it was such a great idea, they're offering awesome
drink specials, starting at 9pm.

And, of course—the 80s music you remember and love
and will want to dance to all night long!

**Bring this flyer to receive a discount
ticket for your first drink!!!**

Come in early for a delicious dinner and stay for a fabulous
night of 80s music and dancing, and enjoy great beer and
martini specials from 9pm—1am
